Gulfside Pool & Spa Inc., agrees to furnish the below described pool service at the above address. The customer by subscribing to this agreement hereby agrees to the terms, the amounts, and the payment schedule for this service.

If the pool is not completely clear upon start up, clean up charge will be incurred.

_____ is day normally serviced. Inclement weather or unforeseeable conditions may change the normal service day.

_____ **Chemical Service Plan \$67.50 per month.** Water chemistry will be checked and brought into balance. Chlorine, pH, alkalinity, stabilizer, calcium, and dissolved solids.

_____ **Chemical, Plus filter service \$80.00 per month.** Water chemistry will be checked and brought into balance, and strainer baskets will be emptied. Filter will be cleaned as needed.

_____ **E.O.W Service Plan \$95.00 per month.** (1st week, full service cleaning) (2nd week, chemical service) (3rd week, full service cleaning) (4th week, chemical service)

_____ **Full Service Plan \$125.00 per month.** A full service cleaning will be performed every week. A full service entails vacuuming the pool floor, brushing walls as needed, skimming the pool surface to remove floating debris. Filter and strainer baskets will be cleaned as necessary to ensure maximum filtration of pool.

Some months have (5) weeks, so you will be billed for that extra week. All service plans are to be done once a week and will receive a full chemical check. All Prices are based on a **10,000 gallon SCREENED IN POOL.** If pool is larger or is **unscreened** the price may be higher. All service plans do not include stain removal or phosphate removal.

Equipment: Will be inspected and replaced if needed. If it is under **\$25.00** we charge your account; any necessary mechanical repairs or parts over **\$25.00** will be reported to the customer and repaired upon approval.

Cancellation: . Cancellation must be in writing and 30 days prior to cancellation date.

Water Level: Due to the amount of time it takes to raise the water level in a pool, it is the **customer's responsibility** to adjust the water level of the pool. Pool water should be half way between the tile, or more importantly half way between the skimmer hole. This will prevent the pump from sucking air and taking the pump out of prime.

Service calls: Service calls for repairs are **\$95.00** per hour, with a minimum one hour charge per visit.

The week between **Christmas and New Years** will **not** be serviced. Service will be doubled up the week before or the week after.

Payment: monthly billing will be sent at the end of the month for the following month and is due by the 5th of that same month. Credit card # must be kept on file. If payment is not received by the 10th of the month, we will bill the credit card.

To avoid changes in the monthly billing cycle, you can multiply the weekly amount by 52 weeks in a year & have a flat monthly fee.
If you pay for a year in advance you receive 4 weeks of pool service. CVV# _____
